No Longer Dormant!

Sometimes we have to allow a vision to be dormant for a season. But, when the time and conditions are right, watch out for what appears!

It has been 3 years that construction started on the Shiloh Cabin. Since its opening day in March 2017, it has served the pastors and missionaries very well.

So, what vision has been dormant?

Just as the bulbs have been in the ground during the cold season:

No obstacles are too big to prevent what has been dormant to come forth:

Not a wild idea that wants its own way outside the plan(t):

So, check out what this is all about on the next page!

The basis for establishing ECFA and developing *Seven Standards of Responsible Stewardship™* is stated clearly by the Apostle Paul in 2 Corinthians 8:21 (NIV):
" For we are taking pains to do what is right, not only in the eyes of the Lord but also in the eyes of men."

2Ki 4:2-4 So Elisha said to her, "What shall I do for you? Tell me, what do you have in the house?" And she said, "Your maidservant has nothing in the house but a jar of oil."

Then he said, "Go, borrow vessels from everywhere, from all your neighbors—empty vessels; do not gather just a few.

And when you have come in, you shall shut the door behind you and your sons; then pour it into all those vessels, and set aside the full ones."

Comment from a guest:

“Expectation exceeded beyond anything we had imagined.”

YES, this is it!

Although this third cabin has yet to be named, we have some ideas and your suggestions are of course welcome, too.

Its size will be between the Shiloh and the Selah Cabin, making it approximately 750 square feet. Again, like the others, it will have one bedroom with a queen sized bed, also a full kitchen and living/dining room area. The above picture is an artist rendition which we will modify it to our needs.

A sizeable amount has already been set aside, designated for this cabin construction. Praise the Lord!

And now to the BIG RUMOR: *Through the grapevine, we have heard about the possibility of an upcoming matching grant!*

However, it is never too early to get started with donations towards meeting the goal of the matching grant. When doing so through our website, simply add the comment "Cabin Fund" on the [PayPal form](#)!

Checks can be sent to our address on the top left hand side. As always, we welcome your questions and suggestion: hosts@shepherdsrefuge.org
