WHAT'S NEW IN 2022?

THERE IS ALMOST NOTHING NEW UNDER THE SUN!

Dear Friends and Partners of Shepherd's Refuge,

We would love to be able to tell you that the Care-Givers Cabin is completed, but that is not yet the case.

We would just as much love to tell you that the Shalom Cabin is completed, but you guessed it, that has not yet happened either!

So, what is going on at Shepherd's Refuge?

- Not surprisingly, we are on par with last year's occupancy figures, considering that we have not added any more space, and the demand is not diminishing!
- In preparation for the next construction phase, so called perk tests for all sites were successfully done.
- The blueprints for the care-takers cabin have been finalized and approved.
- The site for this cabin has been cleared of trees.
- Our new reservation system has reduced the back-office workload by more than 50%!

Thank you for your continued prayer and financial support! You make it possible for us to serve ministry leaders in their time of need at no charge. **We are grateful.**

Caretakers Cabin

Shepherd's Refuge is a non-profit organization that enables front line servants of the Lord to get refreshed and restored in their relationship with the Heavenly Father in order to return as leaders to their flock. Your support allows us to offer retreats at no cost to pastors and front line ministry workers. *Thank you for praying and giving generously.*

THANK YOU!

REMEMBERING A SPECIAL FRIEND

Family and Friends of Betty Wieneke contributed to a special Memorial Fund in memory of her as a faithful partner of Shepherd's Refuge. She had the wellbeing of pastors on her heart, and with her joyful smile added more than financial support!

Thank you, Betty!

Thank you, Family and Friends!

Clearing of the Caretakers Cabin site in progress

We are grateful for all that you have done and that you continue to stand with us as we move forward advancing the work of supporting pastors and ministry leadership.
